1. Who can see the me'd? The 7's? The 6's? And know the differences? Discerning the me, me from not-me? I love you.

2. Cometh forth me now and forevermore, out of Babylon not; yea yes exactly, for exactitude of me exactly; precision engineered not exactly, but precisely surrendered; priceless becoming. I love you. Jeweled cases/crowns are not seen by some, many membered being, realness personifies. I love you.

3. Inexactitude not; precisely me and who can do the wonders I did/now do? Me alone with the heart of gold, not; exactitude of me/father; one. We are one on heaven and earth. (1). I love you. See what I am saying.

4. This is the me. Me is/being, I am me'ing now all others who want me, not; there is price to pay; possession not, dollars/mammon, not; but exactitude of me coming into; price by price, not; piece by piece experiencing the precision experience; priceless. There are no shortcuts to purity. Purity prevails/reigns in righteousness. Holiness required, part of, not; notwithstanding part and parcel, not; centrality required, holiness must be key/central.

5. Come forth out of Babylon, not; yea yes exactly, yet remaining, displacing. How can this/these things be accomplished? In due time? Surrender complete,d.

6. I love you/me that now come forth exactitude'd of only me/one. I love you.

7. Watch me come forth exactly; exacted, not cloned, seeded by man/thought; but me real, pure, true; father that becomes son becoming father. Replication, not reprocession. Reproduction not man's methods but pure holiness, righteousness, and judgment one pure, everlasting. Death defeated not; exactly.

8. This is the moment of me upon me, not; me coming through me; did, have; now again. **Superfluous not; these adjectives, nouns and comparisons tell/say/show much about/regarding my reality coming forth. Think not I must write asunder/differently. I am. My jewels are there/contained**. I love you.

9. Who can understand me? **Who will link, study**; executing not my half truths but revealing/coming into me in mine whole? I love you all.

10. This is the now being me. Day of the lord who can stand/study/understand?

11. Who can/will come forth jeweled, crowned, one'd with meship; outstanding not but one happy puppy, not; leader one leading one/all? I love you.

12. Who surrenders this much/often/completely? Dying to every word, truth, belief of man incarcerated/inserted, dying to change in life real? **Metamorphosis not but what better picture of new birth birth'd**? What cometh of me? Incarceration? Nay, freedom. Reigns of not me no longer. No yoke/worm. Only one, me pure, holy, undefiled, temple complete; mine alone/only. I love you.

13. Temple seen/operated in as me, me becoming; operationally not; yea exactly. See transmutation not; operationally **me operationalized across time space all.** One. I love you. Me. This is the moment all changes for you/me/almost all.

14. Who can deal with the changes to theology/reality that transmutation brings? All must/do. I love you all. Amen.

15. Rain, rain, go away. Just stop for now. Watch me elevate the swollen, not; the/all surrendered. Rain no problem. Watch the news services parade me, **thought**, swelling the ranks of me proportionately, not; exponentially

16. I come forth surrendered from/through surrendered exactitude of me representing me, not; me being me through me personified, reality real.

17. Go away, not; for weeks few, returning soon; immediately almost. Argentina short term'd now, not always; remember. I love you all.

18. Be me. You are. Fully.

Amen
